Bienvenidos a nuestro portfolio

¿Quiénes somos?

Who we are?

Porque comunicarte con tus clientes debería ser algo fácil ... Core nace de la ilusión y la ambición de un equipo humano joven, que quiere romper con el status quo y acercar a las empresas de cualquier sector al ámbito del marketing digital. Compuesto por un profesional del sector de la comunicación, el marketing y la publicidad junto a un ingeniero informático que buscan dar solución a la multitud de cambios a los que se enfrentan las compañías en estos tiempos tan cambiantes.

Because communicating with your customers should be easy. Core was born from the enthusiasm and ambition of a young human team, who wants to break with the status quo and bring the chance for companys from any sector get closer to the world of digital marketing. Our team is made up of a professional from the communication, marketing and advertising together with a computer engineer. This gave us the opportunity to find specific solutions for every specific need that our clients have.
